

## Product Specification

**Product Name:** CSF3 (G-CSF), Rat  
**Cat #:** 1520-02  
**CAS #:**  
**Storage:** Store desiccated at -20°C.

| Test                            | Specifications                                                             |
|---------------------------------|----------------------------------------------------------------------------|
| Characteristics                 | White Freeze-dried Powder                                                  |
| SDS-PAGE Electrophoresis Purity | >97%                                                                       |
| HPLC Purity                     | >97%                                                                       |
| Specific Biological Activity    | >2.0 x 10 <sup>7</sup> IU/mg<br>ED <sub>50</sub> (Mu NFS-60) = <0.05 ng/ml |
| Molecular Weight                | 21.5±2.2 KDa                                                               |
| Bacterial Endotoxins            | <0.1 EU/µg rRtCSF3                                                         |
